- Miscellaneous Fire Damper Parts and Hardware
- Stainless Steel Products

Additional Notes

- Lloyd Industries' Freight Policy applies to customers with Standard Payment Terms.
- Lloyd Truck delivers to Pennsylvania, New Jersey and New York City (5 boroughs) only.
- Identical terms apply to Lloyd Truck deliveries. **Lloyd Truck's Freight Charge for Skid Deliveries is \$180.00 Flat.**
- **Non-FFA products cannot be combined with FFA products in order to reach FFA. Different terms may apply if an order of at least \$3,500.00 net contains mostly FFA products along with a small percentage of Non-FFA products. Consult office in regards to each order.**
- If products are ordered with Special Painted Finishes, the products **ALONE & BEFORE** the Paint Charges are added must meet \$3,500 NET to qualify for Full Freight. If the product's cost doesn't meet \$3,500 NET, but the Special Paint charges that are added make the total order's cost over \$3,500 NET, the order **DOES NOT** qualify for Full Freight.
- If multiple orders ship together, **Each Individual Order** must meet \$3,500 NET and Qualify under the Full Freight Policy to have no Freight Charges Applied.
- The FFA policy applies to one shipment/delivery per order. If an FFA order is split into multiple shipments/deliveries per the customer's request, the FFA policy will be voided and freight for each shipment/delivery will be applied to invoice.
- The freight companies used are FedEx, Ward, Averitt, Pinnacle, Estes and XPO. These carriers provide us with discounts and we ship the orders based off the lowest quoted price provided and best lead time. FFA orders will ship by our discretion, in regards to the method of shipment and the carrier being used. We will take requested shipping dates and methods into consideration, but it is not guaranteed.
- If a customer chooses to make their own freight arrangements, the Full Freight Policy will be voided.

Please contact Lloyd Industries with any questions regarding our Freight Policy.
